Mr. Jean Maunovry,
40 Joslyn Place,
Rochester, N. Y.

My dear Sir:-

The dues are five dollars for associate membership in the American Numismatic Society, and can apply for either 1917 or 1918. If you have them apply for the present year, you will get this year's Journal. If you have them apply for next year, your Journal will begin with the 1918 volume. As these Journals retail at five dollars, you can see you are not losing either way. I am enclosing another application blank.

Yours very truly,

Curator.
